Colorado Springs Amateur Hockey is one of the original four USA Hockey Model Associations. As such, we believe in implementing programming in the interest of long-term athlete development. The U15 AAA team has access to the CSAHA Skill Development Center (including shooting lanes). Highly qualified strength and conditioning coaches at the National Strength and Conditioning Association conduct all off-ice strength and conditioning.

Tigers AAA teams compete in the North American Prospects Hockey League (NAPHL).

The position will be that of an independent contractor. Income will be made up of a base salary with the possibility of substantial additional income derived from camps, clinics, spring teams, private lessons and skill coach positions within the association. Base salary amount will be dependent upon qualifications of applicant.

Applicant should have recruiting experience with knowledge of the landscape of AAA hockey across the nation.

Please submit resume and cover letter to Cody Ayers, Assistant Director Tier Hockey Operations at cody.ayers@tigershockey.club. Cody may also be reached at 719.648.1820.
