

COACHING OPPORTUNITY

PILOT MOUND HOCKEY ACADEMY - COACHING STAFF

Head Coach and Assistant Coach U18 Male Program (New Team)

Head Coach or Co-Coach U18 Female Program

Pilot Mound Hockey Academy (PMHA) is accepting Coaching Staff applications for the upcoming 2022-23 hockey season for our NEW U18 Male Program, as well as one Coaching Staff Member for the U18 Female Prep Program. PMHA is a 10-month Hockey Program, operating out of the Pilot Mound Millennium Recreation Complex in Manitoba, who competes within the Canadian Sports School Hockey League (CSSHL) as well as tournaments in the North American Prep Hockey League (NAPHL). All players must attend Pilot Mound Collegiate. The team consists of Local, Canadian and International players who are accepted into the program through a recruitment process managed by the Coaches and General Manager, Rod Collins. Applicants must be committed to working within a team environment and possess a very strong commitment to player development. Applicants will be community minded individuals and work within the PMHA mandate. All coaching staff must be prepared to work within the PMHA team conducting camps, recruiting, running practices, conducting off-ice training, maintaining team and individual discipline, work closely with Dorm Parents and promoting team in the community.

The Coaching Staff will have the full responsibility of their own team; however, will work closely with the Coaching staff of all four (4) teams as well as the General Manager and all Staff in the Dormitories. The Coaching staff will be responsible for actively monitoring the players' educational achievements. They are also responsible for logistics for the team and all team travel planning.

A demonstrated, high level of coaching skill and certification is required, including recruitment and management capabilities.

Committing to PMHA means committing to the ongoing development of respected young Student Athletes, while participating within an education-based hockey program, richly embedded in community values.

A complete job description can be obtained by emailing the link below.

These exciting job opportunities are to begin with recruitment efforts in April and will be on site full time in September 2022.
