

## **Johnstown Tomahawks NAHL- Equipment Manager**

The Johnstown Tomahawks (Johnstown, PA), proud members of the North American Hockey League, are seeking an Equipment Manager. The Equipment Manager is responsible for overall equipment of the team, such as repairs; ordering gear and apparel; sizing players; laundry for both staff/players and visiting teams as needed; cleaning the locker room daily and maintaining a professional locker room.

### **Responsibilities may include but are not limited to:**

-

- Ensuring all players have what they need for all practices and games
- Ordering player gear, tape, and supplies in a timely manner
- Doing team laundry after every skate and/or workout
- Packing equipment supplies for road games
- Sewing ability preferred, not required, to repair all socks, jerseys, and anything else that may require sewing
- Sharpening skates to each player and staff member specifications as requested
- Meet visiting teams when necessary to let them into 1<sup>st</sup> Summit Arena @ Cambria County War Memorial
- Visiting team laundry upon request
- Strong communication to staff and players
- Cleaning and maintaining a professional look to the locker room daily
- Provide supplies and necessary requests to visitors based upon league mandates
- Regular inspection of all gear
- Contact the league and other equipment managers about jersey colors or specialty jersey nights
- Any other needs or requests from Hockey Operations Staff

### **Qualifications**

Passionate work ethic

Positive, motivated, and approachable personality and demeanor

Experience preferred, but not required

Experience with skate sharpening preferred, but not required

Must be able to travel and maintain long, flexible hours throughout the season which includes daily practice schedule, weekends, extended hours, and some holidays

Interested candidates should email resume to: Head Coach Mike Letizia at  
MLetizia@johnstowntomahawks.com
