

## **Assistant Men's Hockey Coach**

### **University of Minnesota-Twin Cities**

The University of Minnesota-Twin Cities, is seeking candidates for the position of Assistant Coach-Men's Hockey. The assistant coach will work collaboratively, under the direction of the head coach, to develop and maintain a competitive Division I intercollegiate men's hockey program and assist in organizing, directing and administering all aspects of the program.

#### **Position Description:**

50% - Assist head coach in all aspects of developing and maintaining a competitive Division I men's hockey program within the NCAA and Big Ten Conference. Instruct and teach student-athletes in fundamentals of sport technique and strategy. Plan and execute practice and competition plans including the evaluation of opponents.

20% - Evaluate and recruit qualified student-athletes to the University of Minnesota whose athletic skills make them highly competitive in the Big Ten and whose academic abilities make them good candidates for a meaningful academic experience and graduation from the University of Minnesota.

15% - Provide opportunities for student-athletes to develop life and leadership skills. Assist in monitoring the academic performance of student-athletes to help them achieve full potential.

10% - Establish and maintain effective relationships within the athletics department, the University, community, booster clubs, alumni, high school coaches, media and the general public. Represent in a positive fashion the University and its athletic programs in private and public forums. Commit to adhering to all rules and regulations of the Department, the University, the Big Ten Conference, and the NCAA. Assist in advancing the department's mission, vision, and strategic plan including its commitment to equity and diversity.

5% - Perform administrative responsibilities.

#### **Required Qualifications:**

- Bachelor's Degree; knowledge and expertise in the sport of ice hockey;
- 5 years of ice hockey collegiate or junior level coaching experience and or professional hockey playing, scouting or coaching experience;
- Good organizational, communication, and public relations skills;
- Ability to identify and recruit highly skilled student-athletes; and
- A commitment to high standards, sportsmanlike conduct, and fairness
