

Neutral Zone, LLC is the largest and most reputable amateur hockey scouting website in the world; with a staff of over 50 experienced, qualified, professional scouts from across North America.

In the past 5 years NZ has had 5 scouts go on to NHL scouting jobs, 6 NCAA coaching jobs and 6 CHL scouting/management positions along with junior hockey GM's, Director of Scouting, Head Coaches, etc.

This upcoming season we are growing and expanding the footprint and will be hiring more scouts than ever before in company history.

Neutral Zone has partnered with RinkNet and all scouts will have access to the RinkNet platform, will conduct reports on RinkNet which can be accessed by every team in the NHL, CHL, NCAA D1, most junior leagues in North America, etc.

Remote Scouting / Video Scouting

We offer a video scouting department for scouts who may not live in a hockey hotbed or may have problems due to work or families, etc. to physically get to the rinks. This past year we had 5 video scouts, 3 of which were playing professional hockey in Europe, 1 was a retired coach who didn't have great mobility to get around and another was a new scout breaking into the industry. If you are interested in a video scouting position where you would be in charge of scouting a specific junior league or age group, please email Ed Besinger, Director of Video Scouting, at ebesinger@neutralzone.net Include your resume.

Internships

For people looking to crack into the hockey industry, Neutral Zone offers internships, typically associated with a University for course credit or to fill a requirement. These internships have a wide range of duties from social media, data entry, analytics, journalism, administrative tasks, accounting, editing, customer service and managing player profile database. If you are interested in an internship with Neutral Zone please contact our Internship Director Mark Bilotta, at mbilotta@neutralzone.net Please include your location and resume.
