

University of North Florida Club Ice Hockey Head Coach

▪ **Position Summary**

The UNF Club Ice Hockey team is looking for a head coach to develop and start up their new Colligate Hockey Federation (CHF) division 3 ice hockey program. A qualified candidate would be responsible for aiding the student leaders in the formation of the club, promoting the club throughout the Jacksonville area, running practices, and developing effective strategies for game day.

▪ **Duties and Responsibilities**

- Aiding the student leaders in scheduling and coordinating practices
- Instructing and teaching the game of hockey
- Recruiting players to the team
- Supervising assistant coaches
- Monitoring the conduct of the players in compliance with the league and UNF regulations
- Working with student leaders to run the club effectively
- Create effective game strategies and rosters
- Create an inclusive and winning hockey culture
- Follow and enforce CHF, UNF, and the Ice rink's rules and regulations

▪ **Knowledge, Skills, and Abilities**

- Professional communication skills and public speaking
- Knowledge of the sports trends
- Demonstrates leadership
- Ability to travel to away games throughout the state of Florida
- Able and willing to work with a diverse set of individuals
- Ability to stick to a schedule and stay organized
- Ability to skate and play the sport at a high level
- Ability to attend all games and practices

▪ **Preferred Experience**

- 2-5+ years of ice hockey coaching experience
- Working with college-age athletes
- Fundraising experience
- Working with and maintaining a budget

▪ **Job Type**

Part time / non paid volunteer
