Job Description:

The North American Hockey Academy is an elite female hockey academy located in Wellesley, MA. The program consists of 40 girls that make up a U16 and U19 team. We are pursuing an Assistant Coach position for this upcoming season. This includes coaching and teaching, player development, video editing & analysis, and social media. The position supports all efforts to continue to attract the nation's top women's ice hockey players to our elite hockey academy.

This position is a full-time position when in the hockey season. The season is from October-mid March and sporadically throughout the summer. This position requires daily practices during the week and travel on the weekends.

Qualifications :

- Bachelor's Degree or equivalent if international required.
- 1-2 years prior coaching experience, at the club, high school required.
- Competitive collegiate and/or international playing experience, preferred.
- Excellent organizational, interpersonal, communication, and computer skills necessary.
- Demonstrated ability to work with and relate well to high school student-athletes.
- Excellent sport specific technical, tactical and strategic knowledge.
- Works with the head coach to supervise the team at all team activities and travel. Interprets and implements the rules and regulations of the team
- Possess a willingness and ability to support a diverse and inclusive environment.
- Basic proficiency in excel, word, google suite, etc.
- Social media experience helpful.
- Commitment to the student-athlete, passion for the game, and the ability to coach and motivate.
- The successful candidate for this position will be required to complete a criminal background check prior to commencing employment.

Background Check - Criminal and Motor Vehicle
