

Hockey Intelligence, Home of The Hockey Garage – Instructor and mentor

Hockey Intelligence is seeking a qualified candidate to join us as an instructor/ mentor on-ice with Hockey Intelligence and off-ice at our 4,800 sq ft facility in Ann Arbor, MI, The Hockey Garage.

This job is perfect for former professional, college, or Junior players looking to learn development coaching or candidates who have experience teaching hockey skills. Must be motivated and a self-starter. Our off-ice facility includes two large synthetic surfaces for shooting as well as areas designed for stickhandling and off-ice dryland training.

Details:

This is a part-time position. Days are typically Monday-Friday / hours are between 4:00-9:00 pm during the fall/ winter & between 12:00-8:00 pm during the summer months. Pay depends on experience. Must be flexible during the weekdays and the occasional weekends.

Responsibilities will include:

- On-ice instruction
- 1v1 & small group off-ice Instruction @ The Hockey Garage
- Building relationships with our athletes
- Implementing our development programs & reinforcing our core values
- Drill design
- Mentor to young athletes

Qualifications:

- Experience working hockey camps & teaching skill development.
- Current or former professional, college, or junior playing experience.
- Candidate must have a strong knowledge and passion for the details of ice hockey.
- Self-motivated & reliable.
- Experience working with young athletes preferred.
- Good communication skills.
- Strong recommendations.
