

## **Yellowstone Quake NA3HL Head Coach**

The Yellowstone Quake are seeking a qualified and highly motivated Head Coach to meet the following criteria to successfully fulfill the following role, responsibilities, and duties. Qualified candidates will be required to show an established network in the AA/AAA/Junior hockey circuit and provide a proven ability to recruit at the junior level.

### **Qualifications**

- Junior/Collegiate/Professional playing or coaching experience preferred but not required
- Knowledge of effective coaching techniques and best practices
- Must be self-motivated and possess the ability to recruit, retain, and develop quality athletes for the next level of play
- USAH Level 4 certification or working towards obtaining a level 4
- Knowledge of USAH & SafeSport Policies
- Ability to pass a thorough background check and complete SafeSport Training upon hire

### **Responsibilities**

- Perform administrative and hockey operation duties pertaining to the program as assigned
- Plan and implement practice plans/proper ice utilization
- Assist with our local youth hockey organization (Yellowstone Yeti) teams when needed
- Ability to work within the organization's budget in all aspects (recruiting, travel, food, team activities, etc.)
- Oversee team tuition fees are collected on time to ensure players are financially eligible to participate in team activities
- Handling of parental concerns

**Compensation as well as a complete job description will be discussed upon conducting a successful interview.**

**Qualified candidates should send a cover letter, resume, and references to:**
