

Women's Hockey Scouts - 93 Hockey Services

2024/25

93 Hockey Services is seeking scouts to join our women's hockey team for the 2024/25 season. Representing women's players since 2018, 93HS currently boasts a roster including Olympians, World Champions, PWHL athletes, top NCAA players, and upcoming talent worldwide. This is an excellent opportunity to contribute to our ongoing efforts in identifying players across North America and establish a presence in the women's hockey industry.

Scout Openings:

- New England
- Midwest USA
- Ontario
- British Columbia

Qualifications:

- Playing and/or coaching experience in women's hockey
- Passion for hockey and a desire to help players succeed
- Ability to evaluate and identify potential players at various levels
- Strong networking skills and the ability to build connections with area coaches

Responsibilities:

- Scout and evaluate players in designated regions
- Attend games, tournaments, and events to identify talent
- Establish and maintain relationships with local coaches and organizations
- Provide reports on potential players

Compensation: These positions are commission-based with the potential to grow into larger roles within the organization. This opportunity can also serve as a valuable springboard for further career advancements in the hockey industry.

Interested candidates are invited to submit their resumes along with the region you are applying for to 93hockeyservicesinc@gmail.com.
