

MOLE HOCKEY CLUB GIRLS SUMMER SHOWCASE TEAMS - HEAD COACH 16U/19U - PART TIME SUMMER MONTHS/WEEKENDS

Mole HC is a leading summer hockey organization best known for the showcase teams brought to various locations throughout the summer months. The team attends the Women's Chowder Cup, and the Beantown Classic both located in Boston, MA

The boys side has been operating for 5 years, we recently entered the girls realm 2 years ago and have found much success. The girls teams boast NCAA alumni and have performed very well.

We have openings for 2 girls summer head coaches. We are looking for two FEMALE coaches with solidified playing experience. Our company has a "same gender coaching rule" that must be obliged to. It is preferred the pair have worked together in the past and can co-coach both teams. This is a paid part time position with all travel expenses covered.

Responsibility:

1. Recruiting - two rosters full of high end girls hockey players. Some will return but this is the biggest importance.
2. Coaching - must be able to run and handle bench as a head coach.
Attendance required for both weekends
3. Guidance/Network - helping girls find homes at the next level (college/prep).
Mole Hockey is already well prepared to do this but will benefit off new network.
