

Searching for Interns & Hockey Enthusiasts Remotely

The Utah Outliers NCDC Hockey Club is seeking interns and hockey enthusiasts to grow and improve our organization and brand. This opportunity does not require relocating since the skills and tasks can be completed remotely.

We are searching for talented and energetic people who would like to volunteer their skills to help benefit our sports franchise. Interns will have the opportunity to put their skills to work, earn course credits, and build their portfolios. Hockey enthusiasts can have fun sharing their talents with our team while seeing their ideas/creations implemented within our organization.

Skills we are looking for:

- Graphic design work for our website and promotional materials
- Community and public relations ideas
- Fundraising & sponsorship ideas
- Helping with statistics, video analysis & hockey analytics
- Writing articles and game recaps for the team website
- Video production & editing for social media

Interested applicants can contact hockeyjobusa@gmail.com. Please specify what area you would like to help offer your services.
