

# **Briere's Goalie School - Goalie Coach Apprenticeship**

## **Job description:**

Want to be mentored for an entire season by an NHL Goalie Coach who has also built a successful goalie business from the ground up?

Briere's Goalie School is launching a highly selective, one-season Goalie Coach Apprenticeship for driven, ambitious coaches who want to build a real career in goaltending.

This is not a clinic.

This is not a traditional internship.

This is a full-immersion, responsibility-driven mentorship inside an elite development environment.

You will learn directly from an NHL Goalie Coach with an MBA and 25+ years of experience coaching goalies, mentoring coaches, and building goalie academies worldwide. You won't just watch — you'll be in the room, on the ice, and in the work every day.

## **What You'll Do**

You will be immersed in every layer of modern goalie development, including:

### **On-Ice Coaching**

- Technical, tactical, and game-play development
- Mental and physical aspects of goaltending
- Innovative goalie-specific practice design

### **Goalie Business & Operations**

- Structuring lessons, clinics, and camps
- Building training curricula and weekly plans
- Recruiting and communicating with families
- Branding, positioning, and scaling a goalie program

You'll see firsthand how Briere's Goalie School Academy is built and operated by a top-level professional.

### Why This Apprenticeship is Different

You will:

- Work daily with goalies at critical development ages
- Be mentored directly by an NHL Goalie Coach
- Receive real feedback on your coaching and communication
- Learn how to think like a Goalie Director and business owner
- Build a credible résumé in elite goalie development

This is where serious goalie coaches are made.

### Program Details

Location: Stillwater, MN

Dates: Aug 15, 2026 – April 1, 2027

Commitment: Full-time, in person, for one full season

### Support Provided

- Housing
- Monthly food stipend
- Program-related travel expenses
- There are also built in Bonus Compensation Program

### Who We're Looking For

We are highly selective. Ideal candidates:

- Put development over ego
- Care deeply about goalies and kids
- Are organized, accountable, and coachable
- Communicate clearly and professionally

- Are committed to making goalie coaching their career

Playing experience is a plus — but character and work ethic matter most.

Ready to Apply?

This opportunity is earned, not given.

To apply, submit:

- Your goaltending and hockey background
- Any coaching experience
- Why this apprenticeship aligns with your goals
