

Sheridan Hawks are a Tier 3 junior hockey program located in Sheridan, Wyoming. Hawks play out of the NA3HL, Frontier Division. Going into their 8th year of operation, the Hawks continue to strive for player development, player advancement and player experience. Last season the Hawks finished 34-10-2-1, losing in the Frontier Championship game, sending 7 players to the collegiate level (NCAA/ACHA), and multiple players call ups to the NAHL. The Hawks have a growing community and great player experience, as the M&M Center seats roughly 1,000 people, the Hawks always play in front of a packed house Friday and Saturday nights. As we enter our 8th year in operation, we are striving to bring in energetic, knowledgeable, organized scouts to help bring talent and character to the Hawks program.

Scout obligations:

- Network with teams and players throughout the season / off season
