

Hockey Intelligence, Home of The Hockey Garage – Instructor and mentor

Hockey Intelligence is looking for a qualified candidate to join our team as an instructor/mentor for on-ice and off-ice training at our 3,000 sq. ft. facility, The Hockey Garage, located in Ann Arbor, MI.

This position is ideal for former professional, collegiate, or junior hockey players who are interested in pursuing a career in developmental coaching, as well as individuals with experience in teaching hockey skills. The ideal candidate should be driven and proactive.

Our off-ice facility features expansive synthetic surfaces dedicated to shooting practice, as well as specialized areas for stickhandling and dryland training.

This is a part-time position, requiring 10-15 hours per week. Workdays are typically Monday to Friday, with hours between 4:00 PM and 9:00 PM. Pay is hourly; you will be classified as a 1099 employee. Must be flexible during the weekdays and available on occasional weekends.

Responsibilities include:

- 1 on 1 & small group skill Instruction @ The Hockey Garage
- On-ice instruction @ Hockey Intelligence
- Building relationships with our athletes
- Implementing our development programs & reinforcing our core values
- Drill design

Qualifications:

- Experience working at hockey camps & teaching skill development.
- Current or former professional, college, or junior playing experience.
- Candidate must have a strong knowledge and passion for the details
- Self-motivated & reliable.

- Experience working with young athletes preferred.
- Good communication skills.
- Strong recommendations
