Start Date: Immediate

Looking for a Team Player and a Utility Player. Make a huge difference in the lives of kids as they develop both hockey players and as people.

Coach an already existing player clientele and build a bigger following. We own the ice!

This is an exciting opportunity for a driven ice hockey skills coach looking to grow the business while helping players get to the next level.

We are seeking a former Junior, Collegiate or Professional hockey player to coach, to train, and to instruct youth, high school, college, pro, and adults in the sport of ice hockey on a full-time basis. The ideal candidate must be committed, entrepreneurial thinking, and hard-working.

The player skills coach will have the unique opportunity to maintain and to grow an already successful program. We have our own ice rink to run small group lessons, clinics, camps, and 3-on-3 programs.

This position requires time management skills as candidate will be coaching on the ice for many hours.

Qualifications:

- * Played hockey at the junior, collegiate or professional level
- * Positive, self-starter, personable outlook, energetic, detail-oriented, happy, loyal, hardworking, flexible and thrive in high-pressure situations
- * Ability to coach power skating, stick handling, shooting, checking, and all other aspects of player skills
- * Outstanding organizational and customer service skills
- * Must demonstrate strong written and verbal communication skills
- * Must enjoy working in team environment
- * Marketing and sales background is preferred
- * Proficient in Microsoft Windows and Office software programs
- * 4 year college degree or extensive coaching experience is preferred, but not required
- * Clear background check required
- * Must be willing to relocate

Responsibilities:

- * Work with Director to develop fun and exciting hockey training programs for players of all ages
- * Train and coach clients in a fun, safe and motivating manner and provide great customer service
- * Instruct at private, semi-private and group lessons, clinics, and camps as well as at team practices
- * Shoot and edit both video analysis footage and instructional videos
- * Create and grow relationships with athletes and their parents and be a presence at tryouts, games and tournaments in the area

- * Complete pre and post athlete training evaluations
- * Spearhead new projects that produce new streams of revenue for the program
- * Produce content for company's monthly newsletter and website
- * Must be willing to work mornings and evenings and some weekends
