

Assistant Coach - Women's Ice Hockey

Dartmouth College | Hanover, NH

Under the direction of the head coach plan, coach, recruit, administer, and promote the Women's Ice Hockey program within NCAA, Ivy League, and institutional standards. The Assistant Coach plays a critical role in achieving the overall goals of the Women's Ice Hockey program by providing important recommendations, suggestions, and decisions regarding game strategies, line-ups, priority listing of recruits, etc., as well as offering initiative and independent judgment (e.g., in providing coaching instruction, evaluating, and communicating with prospective recruits and their parents, and representing the Women's Ice Hockey program to constituents).
