

Assistant Men's Hockey Coach

Post University — Men's Ice Hockey

Location: Waterbury, Connecticut

Position: Part-Time Assistant Men's Hockey Coach

Department: Athletics

Position Summary

Post University is seeking a highly motivated and experienced **Part-Time Assistant Men's Hockey Coach** to join the Post University Men's Hockey coaching staff.

The Assistant Coach will work closely with the Head Coach in all aspects of the program, including recruiting, player development, practice planning, scouting, game preparation, video analysis, and team operations.

The ideal candidate is a motivated hockey professional who is passionate about developing student-athletes and helping build a competitive, disciplined, and high-character NCAA hockey program.

Responsibilities

- Assist the Head Coach with the daily operations and development of the Men's Hockey program.
- Identify, evaluate, recruit, and communicate with prospective student-athletes.
- Develop relationships with junior hockey, prep school, high school, and youth hockey programs.
- Assist with on-ice practices, player development, and skill instruction.
- Assist with game preparation, opponent scouting, and video analysis.
- Assist with special teams and positional development.
- Attend recruiting events, showcases, tournaments, and prospect evaluations as needed.

- Support the academic and personal development of student-athletes.
- Help establish and maintain a culture built around **accountability, discipline, work ethic, development, and team success.**
- Perform other duties as assigned by the Head Coach.

Qualifications

- Previous coaching experience at the college, junior, prep, level preferred.
- Strong understanding of hockey systems, tactics, and player development.
- Strong communication, organizational, and interpersonal skills.
- Ability to evaluate and recruit prospective student-athletes.
- Ability to work evenings, weekends, and travel as required.
- Collegiate playing or coaching experience preferred.
- Experience with video analysis and hockey analytics platforms is a plus.

This is an opportunity to work directly with the Head Coach while helping shape the culture, player-development model, and competitive identity of the Post University Men's Hockey program.
