

Three Rivers Aces – Head Coach

Three Rivers Aces Hockey Club

Kittanning, Pennsylvania – Belmont Complex

The Three Rivers Aces are accepting applications for the position of **Head Coach** for the 2026–27 season.

The Aces are a Pittsburgh-area competitive men's hockey organization preparing for our inaugural season. We are looking for a coach who can take ownership of the on-ice product, establish a strong team culture, and help build a competitive program both this season and long term.

Responsibilities include:

- Lead the team during practices, training camp, regular-season games, and playoffs
- Develop team systems, structure, and overall style of play
- Evaluate players and work with team management on roster decisions
- Prepare the team for games and manage the bench during competition
- Hold players accountable while creating a competitive, professional environment
- Communicate consistently with players, management, and other members of the coaching staff
- Assist with the continued development and growth of the Three Rivers Aces program

Preferred Qualifications:

- Previous coaching experience at the junior, college, senior, professional, high school, or other competitive hockey level
- Strong understanding of modern hockey systems and player development

- Previous high-level playing experience is a plus
- Strong leadership and communication skills
- Dependable and available for the majority of the team's 2026–27 schedule
- Willingness to work closely with team management in building a successful first-year program

Home games will be played at **Belmont Complex in Kittanning, Pennsylvania**, with regional travel required for away games.

Compensation and additional position details will be discussed with qualified candidates.

Interested applicants should send a coaching resume along with a brief introduction outlining their hockey background and interest in the position to Mike@threeriversaces.com.

Applications will be reviewed immediately.
