🏒 NOW HIRING | DIRECTOR OF U.S. SCOUTING & RECRUITING

Prague Golems Hockey | 2027–28 Season | U.S.-based

The Prague Golems, a proposed expansion program in the European Union College Hockey League (EUCHL), are looking for a U.S.-based scouting director to help build our inaugural roster. We're recruiting student-athletes who want to play competitive hockey while pursuing a university degree in Prague.

What you'll do

- Lead U.S. scouting and recruiting for forwards, defensemen, and goaltenders.
- Evaluate players through live games and video, and recommend prospects to the coaching staff.
- Build relationships with junior, prep, AAA, and college club hockey coaches in your recruiting markets.
- Introduce prospects to the Golems' staff, coordinate recruiting calls, and keep evaluations and follow-ups current.

Who we're looking for

- Experience scouting, coaching, or recruiting in U.S. hockey.
- An active network of coaches and contacts in at least one U.S. hockey market.
- The ability to begin identifying prospects immediately and communicate consistently with our staff in Prague.

Time commitment, compensation, and travel

- Time commitment — Flexible scheduling. We'll agree on weekly availability and scouting coverage during the interview process.

- Compensation — This is a paid role funded by the Prague Golems program. Compensation details will be discussed during interviews.

- Travel reimbursement — The program covers approved travel expenses for scouting and recruiting.

To apply, email info@praguegolems.com with your résumé, the leagues and regions you cover, your availability, and a short note on how you'd build your first prospect list.
